

# December 2018 Meeting and Pizza Party

We had our final meeting of the year and annual pizza party on Friday, December 14 at the Girl Scouts of America campus at 1231 Upas Street.

We also had our annual officer elections. All elected officers were reelected to another term for 2019. Please be aware, we are currently debating a proposal to change the term for elected officers from one year to two and to add a new elected post of Assistant Treasurer. Please contact Bob Ekstrom ([president@ipmssd.org](mailto:president@ipmssd.org)) for details.

Our volunteer officers also agreed to continue at their posts with the following exceptions:

1. Scott Hazel has agreed to take on the mantle of Contest Coordinator next year, taking over from Manny Gutsche. Manny has done an outstanding job these last several years and the club thanks him for all of the hard work he has done on its behalf.
2. Ethan Idenmill will continue to act as webmaster, but has asked for volunteers to fill the new position of Club Photographer. This would involve taking pictures at all of the club meetings as well as at the annual Model Expo. Please contact Ethan ([webmaster@ipmssd.org](mailto:webmaster@ipmssd.org)) for details.

---

# November 2018 Meeting

Our November meeting was held on Friday, November 30 at the Girl Scouts campus on Upas Street.

We had a lot of books and models for our annual auction. Thank you to everyone for donating and for bidding! The money raised will be used to fund our annual pizza party next month!

A few items of note:

- 1. The meeting and annual pizza party next month will be held on December 14th**, not the 21st as originally scheduled. We apologize for any confusion.
- A the November meeting, the club officers proposed two changes to the club constitution –
  1. That elected officers serve a term of two years instead of one year. The reason for this is to keep from having to change names on club accounts too often and to ensure more continuity. This would also align the club to IPMS Nationals rules. If this proposal is accepted the currently serving officers would serve for one additional year, thus completing two year terms.
  2. That a new elected club officer – Assistant Treasurer, would be created, to better ensure that the club has continuous access to its funds.
  3. Please keep the above proposals in mind and be prepared to vote on them at the December meeting. Please email [Secretary Joel Hendricks](#), [Vice-President Richard Abraham](#) or [President Bob Ekstrom](#) with any specific questions about these proposals.

Pictures from the meeting are below.

# October 2018 Meeting

Our October 2018 meeting took place on the 19th at the Girl Scouts of America San Diego campus. We held our bi-annual contest, with results noted in the gallery below.

Our next meeting will be on Friday, November 30. We will elect club officers for 2019. We will also host our annual auction – please bring a model kit to auction for the club. Our auction pays for our annual pizza party in December.

  - **Best of Show – F-16 by Rich Durham**
- 

## September 2018 Meeting

Our September 2018 meeting was held on Friday, the 28th. We had no official show n' tell, but two members brought models (as shown below in the pictures). A few items of note:

1. OrangeCon 2018 will be held on Saturday, October 13 at Cal-State Fullerton – Pavilion at the University Conference Center, Cal State Fullerton University, 800 North State College Blvd, Fullerton, CA 92834. (State College & West Campus Dr.). Due to new requirements from the CSU system for outside vendors, it will use a token system, wherein attendees will trade dollars for tokens on a 1-to-1 basis, and may then use those tokens for purchases. Excess tokens may be turned back to cash at the end of the day. Credit-card purchases are still

permitted.

2. Top Gun II will begin filming soon and needs aircraft models for a bar scene. They will hang from the ceiling of the bar. Modelers who wish to build something for the movie should plan on finishing them by December and bringing them to the meeting that month. The models will not be returned to the modeler. Contact Bob Ekstrom at [president@ipmssd.org](mailto:president@ipmssd.org) for details.
3. The next group build will be of an M1 Abrams. Bring an M1 Abrams kit, any scale and manufacturer, to the October meeting if you would like to participate. Rich Durham will be leading the group build.

The main portion of the meeting was taken up by our mini-auction. The club received a donation of kits which were auctioned off. The proceeds will supplement the proceeds from our regular auction which is scheduled for our November meeting.

---

## August 2018 Meeting

Our August meeting occurred on Friday the 31st at the GSA San Diego Campus. We had lots of great models brought in for show n' tell, including six individual Nationals award winners and one collection which also won an award at IPMS Nationals in Phoenix. Additionally, Manny Gutsche gave us an overview of the "Best-Of"s and special award winners from Nationals.

Last item – please note that the October meeting has been moved up from October 26 to October 19. This has been updated in the calendar and on Facebook. Our newsletter will also reflect that change.

## **July 2018 Meeting**

Our July, 2018 meeting was held on Friday, July 27 at the Girl Scouts of America San Diego Campus. We had our annual BBQ and a guest speaker, Captain Royce Williams, US Navy, retired. Captain Williams spoke about his Korean War experiences during which he flew an F9F Panther, experienced encounters with MiG-15s, aerial combat and battle damage (including 263 hits to his aircraft on a single mission!). Captain Williams was the recipient of the Silver Star, Distinguished Flying Cross and other commendations.

Note – because of the BBQ and the guest speaker, we did not have our usual show n' tell. We also did not have the model information sheets at this meeting, so we are not sure who brought what below.

---

## June 2018 Meeting

We had a great meeting on Friday, June 29, at the Girl Scouts of America San Diego campus on Upas Street. Gary Williams presented a check to the San Diego Model Car Club with their portion of the money we received from IPMS USA for Model Expo. We also discussed what worked and did not work at this year's Model Expo. We did our usual Show n' Tell. Finally, David Weeks did a presentation on the Mercury, Gemini and Apollo recovery vehicles.

---

## May 2018 Meeting

We had a good meeting on Friday, May 25. This is our last meeting before the San Diego Model Expo on Saturday, June 9. Please see the latest [update](#) for details.

Meeting photos were taken by Ethan Idenmill

---

# April 2018 Meeting

During our April meeting, we welcomed a lot of new folks to our club who brought models for show n' tell. We also held our bi-annual model contest which our Lead Judge, Jerry Jackson, used as an opportunity to train new judges. Full results of the contest are in the picture below, but Tim Shipley won the Best in Show for his 1-48 Stearman. Our Tie Fighter group build continues. Our next meeting will be held on Friday, May 25. That will be our last meeting before the San Diego Model Expo which will be held on June 9.

# March 2018 Meeting

We had a great meeting on March 30 at the Girl Scouts headquarters. We had lots of show n' tell. Thanks to Dan King for taking photos.

For next time, please bring an entry for our semi-annual club contest. If you are interested in judging at ModelExpo, this contest will be a good opportunity to give it a try. Also, if you are interested in helping to take photos at the ModelExpo, we will have a training session. Finally, please bring your Tie Fighters for the continuing group build.
