# July 2016 Meeting

We had a great meeting in July. Per club tradition, we had our annual cookout, with burgers, hot dogs and lots of other goodies brought by club members.

Unfortunately, we received news that long-time member John Humphreys is recovering from an illness. The club members signed a card and included it with a model kit of a Fokker triplane that was generously donated by another long-time club member, Mark Knowlton. We all hope for John's speedy recovery.

We also had a brief presentation on the next Brewer-Brothers show, which will be on Sunday, September 18, on-board the USS Iowa in San Pedro. Here is the Brewer-Brothers website:
