

2018 San Diego Model Expo Contest Pictures and Results

IPMS San Diego and the San Diego Model Car Club would like to thank all of the participants in this year's San Diego Model Expo. Without the people bringing in models for the contest, there would be no Model Expo. We would also like to thank the San Diego Air and Space Museum for their graciously hosting us again this year. Additionally, we would like to thank all of the volunteers and judges who brought together all of the pieces of the contest to make it a success. Finally, we would like to thank all of the vendors as well as attendees.
