

June 2017 Meeting

We had a great meeting in June. The club membership discussed and voted to approve the new club constitution and by-laws. These will be posted soon on the website.

We had a lot of models brought in – thanks to everyone for participating.

Please note that our next meeting will be on **Friday, July 21** since the normal meeting date conflicts with the IPMS USA Nationals. This will be our annual BBQ – we provide the hot dogs, hamburgers and soft drinks, you provide the side dishes and desserts. See you then!
