

August 2021 Meeting

Our August, 2021 meeting was held on Saturday, the 28th at 1PM at the Gillespie Field annex of the San Diego Air and Space Museum. We had lots of great models. The theme for this month was “the model with the most aftermarket parts”.

Our next meeting will be held on Saturday, September 25th at the same location at noon (the time will change for that meeting only). The theme will be “your most disappointing model”.

Happy modeling!
