

March 2017 Meeting

We had a great meeting on March 31.

- President Bob Ekstrom reminded us that we will be voting on the proposed club constitution and by-laws in May.
- **Next month we will have our club contest, so plan on bringing a model to enter!**
- The club voted on our next group builds. They will be –
 - Starting in June, a figure build (any figure, including dinosaurs and animals), led by David Weeks.
 - Starting in January, a Star Wars Tie Fighter build (any Tie variant, any kit, any scale), led by Ethan Idenmill
- Lead Judge Jerry Jackson requested that those who are experienced judges refrain from selling at the Model Expo in June so as to be able to help him with the judging.
- Treasurer Gary Williams received a 50-year pin from IPMS USA! Congratulations, Gary!
