

# February Meeting

Our last meeting was held on Saturday, February 27. We had lots of great models, both in progress and completed.

Our next meeting will be on Saturday, March 27 (subject to local health regulations). The theme for that meeting will be "The model with the most after-market parts". Please see the calendar for details. Happy modeling!

Note – per IPMS USA:

**"In light of the current pandemic situation, please be aware that neither IPMS/USA nor its Chapters are liable for any potential transmission of illnesses. Those planning to attend this event should (a) follow existing safe social distancing recommendations and (b) abide by any local or state regulations regarding gatherings."**

# 2021 San Diego Model Expo Update 1

IPMS San Diego in conjunction with the San Diego Model Car Club and the San Diego Air and Space Museum is pleased to host the 2021 San Diego Model Expo on Saturday, June 5 at the Gillespie Field Annex of the San Diego Air and Space Museum. We will have a model contest and lots of vendors! Please see the flyer below.

Please note that due to the pandemic, there is a chance that this event could be cancelled on short notice. Furthermore all local regulations regarding masks and social distancing will be followed. As of this writing, masks must be worn at all times and social distancing of 6 feet must be maintained.

From IPMS USA –

“In light of the current pandemic situation, please be aware that neither IPMS/USA nor its Chapters are liable for any potential transmission of illnesses. Those planning to attend this event should (a) follow existing safe social distancing recommendations and (b) abide by any local or state regulations regarding gatherings.”
